BUSINESS AND SUPPORT OPERATIONS

1. Authorization to Use Unmanned Aircraft Systems (UAS also known as Drones) on School Grounds for An Approved District Purpose

For the 2025-2026 school year, teachers in Grades 7-12 have been teaching lessons around the upcoming 250th Anniversary of the United States. Administration would like to have the students of EBHS and CJHS assemble on the football (EBHS) and baseball (CJHS) fields in the shape of a 250, with each of the three grade levels of each school wearing red, white or blue, and have a drone take a photo. These photos would then be hung in the main offices or other suitable locations to commemorate the year.

Lors Photography has offered to come to CJHS on Friday, May 22, 2026 and EBHS on Tuesday, June 2, 2026 to conduct the drone flights and photos at each site, at no charge to the District.

Administration requests that the Board approve the use of Unmanned Aircraft Systems (UAS also known as Drones) to allow the moment to be captured via a drone. An FAA-certified drone operator from Lors Photography will ensure the photography is conducted safely and professionally. The photos will be shared with the school community.

Recommendation: Pursuant to Board Policy No. 7481, Unmanned Aircraft Systems (UAS also known as Drones), the use of a UAS is approved for Friday, May 22, 2026 and Tuesday, June 2, 2026 to enable an FAA-certified drone operator from Lors Photography to take photos of the student body and staff; and

That this approval is subject to the following:

1. Lors Photography and its drone operator (hereafter "Lors) shall indemnify the district vis-a-vis an additional insured endorsement and certificate of insurance that meets, at a minimum or greater, the Board of Education-established insurance coverage requirements for facilities users; and
2. Lors's additional insured endorsement and certificate of insurance shall name the East Brunswick Board of Education; and
3. Lors shall provide evidence of FAA licensure for the commercial operation of the UAS; and
4. The contract for the UAS service shall be reviewed and assessed by the Board Attorney and the Board's Insurance Broker/Carrier, and any revisions required shall be made by Lors no less than three business days prior to the event; and
5. The final contract, additional insured endorsement, and certificate of insurance shall be submitted to the Office of the School Business Administrator no less than three business days prior to the event; and
6. Failure to fulfill the requirements delineated in items 1-5 above shall be considered a withdrawal of the Board's approval.

SUPERINTENDENT'S REPORT

"Good evening:

On April 16th, along with Board members, I attended the 5th annual Butterfly Effect Kindness Initiative Presentation and Awards Night at Hammarskjold. This district-wide

program, founded and advised by teacher Edith Weinstein, celebrates the profound impact of small, selfless acts of kindness across our schools.

The evening honored students from across the district for their "passion projects"—initiatives ranging from assembling hygiene kits for those in need to creating friendship bracelets to help elementary students build new connections.

Highlighting the program's growth, 2-3 senior scholarships are awarded each school year for students who choose kindness throughout all four years of high school. The gala featured moving performances by the High School Honors Chamber Choir and talented high school student Vinya Chhabra, a former contestant on "The Voice."

We are incredibly proud of our students' commitment to leading with empathy and demonstrating that even the smallest change can create ripples of positivity throughout our entire community.

Funding for the Churchill projects is provided by the Megan Schulman Foundation, while a successful partnership grant secured additional funding from the EBEF for our secondary schools. Thank you to the East Brunswick Education Association for sponsoring the trophies and refreshments through a Pride Grant.

On Friday, April 17th, I attended National Signing Day at the high school. We wish our 18 student athletes the very best as they pursue their athletic careers at the collegiate level.

After the signing day, I stopped by Hammarskjold and saw our 5th graders proudly showcase their learning through engaging presentations on different types of energy.

Through research and collaboration, they explored both renewable and nonrenewable resources, explaining how energy is produced and used in our world. This project highlights their hard work, creativity, teamwork, and growing understanding of how their decisions impact our Earth.

On Friday evening, April 17th, along with Board members I enjoyed attending the High Schools Drama production of SpongeBob the Musical. I was amazed by the talent of our students. If you have not had a chance to see the show, I encourage you to see it. The last two shows are this Friday, April 24th and Saturday, April 25th.

On Tuesday, April 21st, I had the pleasure of attending the 17th Annual Night of Jazz at Hammarskjold. This wonderful event is made possible through our partnership with the East Brunswick Education Foundation and the Mario A. DeCarolis Memorial Music Fund. The evening featured impressive performances by our talented jazz ensembles from Hammarskjold, Churchill, and the high school.

The high schools We the People team represented the state of New Jersey at the We the People National Finals in Washington, D.C., where 25 students testified in front of a panel of judges, including professors, government officials, and other experts.

The students were tasked with answering questions about the history and modern relevance of our Constitution after taking positions on controversial issues and defending their opinions. After twelve outstanding performances, they won their division, being

recognized among the top 15 schools in the country.

The 3rd graders at Frost completed their research unit where they learned about the research process by studying animals. Each classroom studied animals from 4 various habitats. Working together in small groups, they developed an *All About* book and showcased their learning at their writing celebration, where each classroom was transformed into that specific habitat for an immersive experience!

As part of an ongoing Recycling Study, students in the Early Learning Academy (ELA) class at Chittick Elementary School explored environmental responsibility through project-based learning. Using recycled newspapers, students created koala bear faces and constructed model recycling trucks, reinforcing the concept of reusing everyday materials in innovative and meaningful ways.

In the ELA at Central Elementary School, students participated in a hands-on pollution experiment to examine the impact of litter on water quality. This engaging activity provided students with a meaningful, visual understanding of environmental issues, sparking curiosity, and thoughtful discussion about the importance of protecting natural resources.

I am excited to share that East Brunswick Public Schools has again been awarded the National Association of Music Merchants (NAMM) Best Communities for Music Education recognition for the 9th year!

In sports:

Coaches Zack Gega, Jessica Allen, Danielle Butrico, Mark Motusesky, along with GMC Sportsmanship Award winners Julia Rose, Noah DeJesus and Athletic Director Frank Malta accepted the 2026 RED Division GMC Sportsmanship banner for the 2025-2026 school year. This is the 2nd year in a row that East Brunswick has been honored with the RED Division Sportsmanship Award

The East Brunswick Track Invitational was held on April 18th at the stadium. We hosted 36 schools and 1400 athletes that competed in various events. The day was a great one and provided those athletes the opportunity to compete against some of the best athletes in the state of New Jersey.

Thank you to everyone who attended our inaugural Advocacy Stakeholder meeting this past Monday. We are united by a shared mission and a clear objective that will propel our collective efforts forward.

I would like to thank everyone who participated in the Strategic Plan survey. The high level of engagement has provided invaluable insights, and the planning process is proceeding efficiently thanks to your continued collaboration.

Thank you.”
