SUPERINTENDENT'S REPORT

“Good evening,

There's no better way to start the day than with our students! I spent the morning with the Hammarskjold Student Council discussing recess. I walked away so impressed by their energy and great ideas.

My final meet-and-greet will be held at East Brunswick High School on February 24th at 6 PM. If you haven't had a chance to attend one yet, I'd love to see you there! I have truly enjoyed these sessions and look forward to continuing my work with our community.

On Friday, February 6th the Irwin Elementary students and staff had an Olympic Parade of Nations to showcase their cultural diversity and heritage which I enjoyed attending.

Students dressed in cultural clothing and carried flags to symbolize their heritage. At the conclusion of the parade, students and staff gathered as a school community to celebrate and kick off the “Irwin Winter Olympics” with some fun events. They awarded medals and all the students rooted for one another, showing great sportsmanship and support.

To learn more about different cultures, each grade has a “host nation” to root for and cheer on during the winter Olympics in Italy. The medal count is updated daily during their morning announcements. There is a world cultures wall in the main hallway where students can participate in a scavenger hunt while they learn about countries other than their own.

During lunch each day, students watch different events from the Olympics to learn more about new sports that are unique and generally not publicized outside of the Olympics. Students have really taken to the sport of curling and have enjoyed watching different matches.

Irwin Olympics will conclude with the “cereal box slalom”, where they will create a giant domino rally made of cereal boxes. Those boxes will then be donated to local food pantries.

Our Community Programs Department is buzzing with activity, and we have several exciting updates to share.

- Central Elementary Early Learning Academy (ELA) students rang in the Lunar New Year with a joyful “Gung Hay Fat Choy!” as students explored cultural traditions and celebrations.
- In other ELA preschool classrooms, the Buildings Study continues with a hands-on exploration of *The Three Little Pigs*. Students put their architectural skills to the test, designing and building homes using craft sticks, straw, and bricks—strengthening creativity, problem-solving, and early engineering skills along the way.

- At Frost Elementary, After School Kids (ASK) students demonstrated that kindness is always in season. In preparation for Valentine's Day, they created thoughtful handmade cards and flowers to share with others.
- Meanwhile, Central's Early Morning Program was filled with creativity and cheer as students crafted festive Valentines and proudly wore their handmade headbands, spreading smiles throughout the building.

At their February department meeting, Churchill Junior High School Social Studies and English teachers met across departments to share best practices in working with AI.

Teachers discussed effective uses of AI in their lessons, monitoring AI-generated work, and deciding when any technology is appropriate for the goals of their lessons. These ongoing conversations allow teachers to learn more about what their colleagues are doing and create new approaches to their content areas.

In Sports:

- East Brunswick Girls Swimming captured their 3rd straight Girls Sectional Swim title defeating Rancocas Valley.
- Senior Dominick Lezark won his 100th career wrestling match on Monday, February 16th.
- Travis Retzlaff won his 100th career game as the Girls Basketball head Coach at East Brunswick High School.
- Girls Basketball clinched the GMC semifinal victory and will play in the GMC Final on Friday, February 20th at Monroe High School against St. Thomas Aquinas at 6 PM.

Join us online for Parent University: Share the Keys. This virtual driving orientation for students and parents takes place Wednesday, February 25, at 7:00 PM.

Share the Keys (STK) is a 60-minute interactive orientation program for parents and their teen drivers. STK is a research-based, data-driven program designed to reduce teen driver crash risks through increased parental involvement. Information on how to register can be found on the district website.

The Hammarskjold Upper Elementary School Drama Club is excited to present *Willy Wonka Kid* on Wednesday, March 4th and Thursday, March 5th at 7:00 PM.

The cast and crew have been working incredibly hard to create a colorful and energetic performance, and they are so proud to showcase their dedication and creativity. Tickets are available at: hues.booktix.com

The East Brunswick Education Foundation (EBEF) will be hosting their Thirty-Second Annual Partner in Excellence Award Dinner and Hall of Fame Induction Ceremony on Wednesday, April 29, 2026, at The Pines Manor in Edison. More information can be found at www.ebnet.org/ebef

Lastly, I will be inviting members of our school community to express interest in participating in a School Funding Advocacy Stakeholder Group focused on revisiting and advocating for improvements to New Jersey's school funding formula.

This stakeholder group will bring together a broad and representative cross-section of our community including parents, educators, administrators, students, community members, and individuals with experience in advocacy, policy, or public engagement.

Our goal is to elevate informed voices, lived experiences, and strategic advocacy to help shape meaningful conversations and actions around fair, adequate, and predictable school funding for East Brunswick and districts like ours.

Thank you.”

PRESENTATIONS AND/OR SPECIAL REPORTS

Learning Across the District

In collaboration with the EBFA and a generous FAST grant, Churchill Junior High School hosted the first-ever "Families Learning Together" Night: an evening designed to support our Basic Skills and Multilingual Learner families with hands-on, practical ways to help their children at home. The East Brunswick Public Library also joined to share their wealth of local resources. Parents enjoyed the opportunity to learn from and alongside their children and everyone walked away with simple strategies they can use at home.

Churchill students showcased engaging classroom games they play in school and at home, while also highlighting their academic growth and progress.

BUSINESS AND SUPPORT OPERATIONS

1. Approval of Fees - East Brunswick Track & Field Twilight Series Events

As a large school centrally located in New Jersey, EBHS has convenient accessibility from North, Central, and South Jersey. With its brand new, state-of-the-art track facility, the school and the Township would be showcased through the meet. The state of New Jersey is severely lacking in sprint specific meets, while distance running exclusive meets are happening on a weekly basis. These meets present an opportunity to create a yearly end of season meet where sprinters, and sprint heavy schools, can finish their seasons in a competitive atmosphere outside of the limited capacity State Championship meets.

The proposal here is for the district to host two "East Brunswick Track & Field Twilight Series" meets at East Brunswick High School on May 12, 2026 and May 21, 2026. The track and field teams would benefit from promoting the sport within town and generating revenue from the event through entry and admission fees, food sales, etc. In addition, athletes benefit from a college recruiting standpoint when they have Fully Automatic Timed (FAT) races on their online athletic profiles.

May 12, 2026 Events

Individual Events

- 100
- 200
- 400 Hurdles
- Long Jump
- 800m Run

Relay Events

- 800m Sprint Medley

May 21, 2026 Events

- 200
- 400
- 110 Hurdles
- Triple Jump
- 800m Run
- High Jump

Relay Events

- Shuttle Hurdles
- 4 x 200

Based on the estimated participation and a review of projected expenditures, the District's costs would be covered.

Recommendation: That fees for the "East Brunswick Track & Field Twilight Series" to be held on May 12, 2026 (Event No. 1) and May 21, 2026 (Event No. 2) are approved as follows:

<u>Entry Type Per Event Date</u>	<u>Fee</u>

The track and field teams would benefit from promoting the sport within town and generating revenue from the event through entry and admission fees, food sales, T-shirt sales, etc. The events would include:

3. Bid Award - Roof Replacement at Irwin Elementary School (Bid No. 2026-07)

Specifications were prepared and bids solicited for Roof Replacement at Irwin Elementary School. Bid specifications were sent to over twenty vendors with fourteen vendors responding. The bids were received and opened on Friday, February 6, 2026 at 1:00 p.m. The results are as follows:

Company	Base Bid
Winchester Roofing Corporation	\$1,925,830.00
MTB LLC	\$2,085,000.00
USA General Contractors	\$2,305,000.00
Pravco, Inc.	\$2,326,960.00
White Rock Corp.	\$2,411,000.00
Galia Construction Inc.	\$2,450,000.00
Laumar Roofing Co. Inc.	\$2,495,000.00
Mak Group, LLC	\$2,497,758.00
VMG Group	\$2,500,000.00
Northeast Roof Maintenance	\$2,705,000.00
Safeway Contracting, Inc.	\$2,753,000.00
Patriot Roofing, Inc.	\$2,791,000.00
Billy Contracting & Restoration Inc.	\$3,188,000.00
D.A. Nolt, Inc.	\$3,753,906.00

Shortly after the bid opening, Winchester Roofing Corporation submitted a letter to the School Business Administrator requesting that its bid submission be withdrawn due to a calculation error. The company stated that it mistakenly did not include labor and material for the silver roof coating which made their price far less than it should have been.

Upon review of the bid submissions and advice of legal counsel, MTB, LLC, Neptune City, NJ, has submitted the lowest responsible bid, and it is recommended that the contract for the base bid be awarded to it.

This project is funded through a Shared Services Agreement.

Recommendation: That the Board of Education shall award MTB LLC, Neptune City, NJ a contract for Roof Replacement at Irwin Elementary School (Bid No. 2026-07) in the total amount of \$2,085,000.00.

SUPERINTENDENT'S REPORT

"Tonight's Board Room features artwork created by our talented students from Memorial and Warnsdorfer Elementary Schools. The art teachers of these talented students are Brooke Cerbone and Margaret Sasso. Cheryl Jones is the Principal of Memorial Elementary School and Joseph Csatari is the Principal of Warnsdorfer

Elementary School. The artwork will be available for viewing through February 27th.

Joined by our Board Members, I have spent the last two weeks continuing my Meet and Greet tour. With only a few schools left on the schedule, I encourage any parents who have not yet attended to join us for one of these final sessions. We would love to see you there!

After my Churchill Meet and Greet on Tuesday, January 27th, I headed to Hammarskjold for the German Snowball Festival. Students in grades fourth through ninth were invited to attend this fun and immersive celebration of German culture.

Students and their parents explored traditions, language, and customs while working alongside German teachers and students from German classes. The festival featured hands-on activities that encouraged cultural connections and curiosity. Guests also enjoyed a variety of delicious German pastries, adding an authentic taste of Germany to the experience.

On Friday, January 30th, I enjoyed attending an assembly at Hammarskjold for the Butterfly Effect Project. Students in both grades 5 and 6 were joined by Ilene Mager, the creator of #chooseKIND, a movement focused on building confidence, self-acceptance, and spreading kindness in ways that truly make a difference. Her message connected perfectly with HUES values of being honest, united, empathetic and safe. Students were simply reminded that kindness starts from within, and even small choices can create big ripples. This assembly was made possible by a grant from the East Brunswick Education Foundation.

Beyond my scheduled 'Meet and Greets', I am spending the next few months joining staff in each building for lunch. During this week's visit with the Memorial Elementary team, I was thrilled to learn more about their Peer Leader Program.

This year Memorial Elementary School has ten students who are part of the Peer Leader Program. They are leaders in the building by assisting kindergarten students during recess, creating school-wide activities to promote kindness and have done community projects as well such as making donations to Liv Like A Unicorn and are in the process of creating Hygiene Kits for families that are displaced in our community. They have learned so much this year about responsibility and leadership.

On Monday, February 2nd I attended Irwin's Annual Expert Expo. As part of the Writer's workshop unit Becoming Experts, 2nd grade students hosted an "Expert Expo". As part of this unit, students write an informational book on their topic, prepare a presentation board, and prepare a presentation that they give to their families, teachers and fellow students. Students speak on a wide variety of topics, and it is always interesting to see how knowledgeable our students are.

On Tuesday evening, February 3rd, after the Frost meet and greet, I jumped over to Hammarskjold to learn how to make dumplings. The Mandarin program students and their families joined Zemin Zhang for a hands-on dumpling wrapping experience, learning about the cultural significance and symbolism of dumplings as they welcomed the Year of the Horse.

In the Arts:

On Sunday, February 1st, the Churchill Advanced Orchestra performed during the first half of the East Brunswick Symphony Orchestra (EBSO) and East Brunswick Education Foundation (EBEF) Winter Serenade Concert under the direction of Orchestra teachers Susan Meuse and Mary O'Mara.

The East Brunswick Schools Music Department is honored to continue its strong partnership with the EBSO as it enters its second year, along with the continued support of the EBEF, which has been consistently generous to the Arts Department. Looking ahead to March 8th, the EBSO, EBEA, and East Brunswick Public Schools will collaborate again for *An Afternoon of Strings*, a chamber music concert featuring East Brunswick Public Schools music teachers.

The Art Administrators of New Jersey (AANJ) "Emerging Artists" exhibit and awards ceremony took place at Kean University on Sunday, February 1st. High School Senior Grace Young and Junior Ebba Vachon had their artwork hand selected to be exhibited by their studio art teacher, Lisa Gombas, for their unique approach to the subject matter and unique personal expression. This annual high school art exhibition gives students the opportunity to have their work displayed in a university gallery among some of New Jersey's most creative, innovative art students.

The East Brunswick High School Orchestra will be presenting *The Music of Film* on Wednesday February 11th at the Joann Magistro Performing Arts Center. The program will feature music from iconic films such as the *DaVinci Code*, *Star Wars* and *Howls' Moving Castle*. The concert begins at 7 PM and admission is free.

In Sports:

Last night was a historic one for East Brunswick! Our hockey team officially opened the stunning new East Brunswick Ice Rink with a thrilling 5-4 victory over West Windsor-Plainsboro. Huge shoutout to Colin Napp, who etched his name into the history books by scoring the first-ever EB goal in the new arena!

Congratulations to our January High School Athletes of the Month. Students were selected for this honor by the coaching staff based on performance, demonstration of leadership, effort in practice, and for modeling exceptional character.

Report cards will be available through Parent Access on Thursday, February 12th. Anyone without internet access can contact their school for a copy.

Just a few reminders:

- Schools and administrative offices will be closed Monday, February 16th.
- There is no school on Tuesday, February 17th for students and 10-month staff but administrative offices will be open.

Thank you."

§ 1 Subject Matter

With its 2008 initiative “Schools: Partners for the Future” (PASCH) Germany’s Federal Foreign Office launched a worldwide program for the development and advancement of German language education at distinguished schools. This initiative is coordinated by the Federal Foreign Office and implemented in cooperation with the Central Agency for German Schools Abroad (ZfA), the Goethe-Institut, the German Academic Exchange Service and the Educational Exchange Service of the Standing Conference of the Ministers of Education and Cultural Affairs of the Länder in the Federal Republic of Germany (PAD).

The objective of the program is to awaken interest in the German language, modern Germany and its society in young people. The PASCH initiative promotes German language education at schools, inter-cultural meetings and the development of an international learning community for schools. The PASCH initiative offers additional learning opportunities to vouchsafe a sustainable level of qualification for students as well as teachers, thereby increasing the competencies of young people for academic studies in Germany and their future careers. The initiative aims to establish authentic and long-term relationships with Germany, and to motivate the schools, teachers, and students to engage in cooperation and an open exchange of ideas with each other.

PASCH encompasses a worldwide network of over 2000 PASCH schools with special connections to Germany.

In light of the above and as part of the initiative “Schools: Partners for the Future” (PASCH) the following agreement regulates the cooperation between the Goethe-Institut Washington, D.C. and East Brunswick High School.

§ 2 Cooperation Partners

The Goethe-Institut is the cultural institute of the Federal Republic of Germany with global reach. It promotes the study of the German language abroad and encourages international cultural exchange. As part of the initiative "Schools: Partners for the Future" (PASCH) it supports around 690 schools in the national education systems of over 120 countries around the world.

East Brunswick High School (Excellence in Academics, Athletics and the Arts) is the only high school in the East Brunswick Public School system in East Brunswick, New Jersey. East Brunswick is a suburban residential community with a population of about 51,000. The predominant socioeconomic level is middle to upper middle class and the occupational levels range from skilled labor to executive and professional. Many residents commute to New York City, about 30 miles away. The community has high expectations and aspirations for its schools.

The school system is composed of eight elementary schools (grades K-4), one upper elementary school (grades 5 and 6), one junior high school (Grades 7, 8 and 9), and East Brunswick High School (grades 10-12). The high school has an enrollment of about 2,100. Graduation rates from 2023 are as follows: 93% of all graduates in 2023 are attending schools of higher education; 75% four-year colleges; 17% two-year colleges; 1% Business/ Technical/ Military schools; and 7% are in the Armed Forces, are employed or are seeking employment.

In 2023, The Middle States Association of Colleges and Schools Accreditation for Growth Validation Team stated that, "East Brunswick High School is without a doubt one of the finest high schools in the nation." East Brunswick High School has been designated a National School of Excellence, was ranked as the number one high school in New Jersey by Redbook Magazine (1996) and continues to be recognized as one of the top public high schools by New Jersey Monthly Magazine. Additionally, East Brunswick High School was named a Star School by the New Jersey Department of Education and has been designated a Model School of the Arts. East Brunswick High School's Intergenerational Program was honored by the Best Practices Program in the state of New Jersey.

East Brunswick High School has an extensive array of curricular offerings (on the standard, honors, and advanced placement levels) designed to meet specific needs and interests of students. Major areas include:

World Languages: The New Jersey Department of Education recognizes East Brunswick Public Schools as a Model World Language Program. We offer French, Spanish, Italian, German, and Mandarin. We are educating our students to become global citizens as they develop language and cultural proficiency. Students have access to authentic materials thanks to our district's 1:1 initiative. Honors programs are available in all five languages. In addition to levels one through six, we offer these honor courses: French for Business Honors, Spanish for Business Honors, Spanish for Medical Professions Honors, Made in Italy: Food, Fashion and STEAM Honors, Germany in the 21st Century Honors and Contemporary German Issues Honors. AP courses are available in French, Italian, Mandarin, Spanish, and German. East Brunswick Public Schools require two years of world language from grades 9-12. Students who demonstrate Intermediate-Mid proficiency in a world language and meet the graduation requirements for English earn the New Jersey Seal of Biliteracy.

In 2017, the German program in the East Brunswick Public Schools was recognized as a "German Center of Excellence" by the AATG (American Association of Teachers of German), the first German program in New Jersey at the secondary and postsecondary level to win this distinction.

EXTRA-CURRICULAR ACTIVITIES

East Brunswick High School offers a wide variety of outstanding extracurricular programs. The Academic Team has won many national and state honors, and the drama, vocal programs, and instrumental music groups receive state recognition annually. The science and mathematics teams consistently earn high ratings in county and state competitions. Students in social studies classes have won numerous prestigious awards. In 30 out of the last 31 years East Brunswick High School has represented the state at the "We the People Competition" on the Constitution and has won the national competition held in Washington, D.C. in 1998, 2004, 2005, and 2006.

As part of an initiative to foster the development of students' awareness and civic responsibility, East Brunswick High School has a voluntary community service component in which the student must complete a minimum of 15 hours of service.
